**William Hall Smith, 1916-1920**

### **Bio/History Note**

William Hall Smith was born in Lamar County, Alabama on February 8, 1866. His family moved to Mississippi in the 1870s where he received his education at the University of Mississippi, Mississippi College, and the Iuka Normal College in 1889. For the following thirteen years, he served as principal of the Ackerman, Eupora, and Durant High Schools. In 1903, he was chosen as the Holmes County Superintendent of Education, and in 1910, he was named Supervisor of Rural Education for the state of Mississippi. During his time in Holmes County, Smith organized the boys' corn club movement, garnering him the nickname "Corn Club." He was then selected to be the first president of the State Normal School (later University of Southern Mississippi) and served in this position for less than a year, returning to his position as Supervisor of Rural Education. In 1914, he was appointed State Superintendent of Education, holding that position until his appointment as President of the Mississippi A. & M. College in 1916. He served until 1920, leaving Mississippi A. & M. to work in politics, successfully managing the 1931 gubernatorial campaign of Mike Conner. Smith died in February 1947.
